

LA Lawyers Philharmonic & Legal Voices

LA's Only Legal Orchestra & Chorus

BECOME A PROUD SPONSOR

In just over two years and with more than 20 concerts to its credit, the LA Lawyers Philharmonic under the baton of its founder-conductor, Gary S. Greene, Esq., has not only struck a chord in Los Angeles but has been recognized around the world. The dynamics of the legal profession and the power of music are a unique combination that create attention, generate good will and positive publicity. From the *New York Times* to the *Los Angeles Times*, the LA Lawyers Phil has been featured in articles around the country as well as around the globe. And now we have a 100-member chorus, Legal Voices.

The members of the orchestra and its chorus volunteer their time and talent. Through your generous sponsorship, they will have the necessary funding to meet their rehearsal and performance expenses, volunteer concerts and donate proceeds to provide legal services for those who cannot afford it and for other charitable purposes.

Join our team of lawyers and judges, law students and legal assistants and become a SPONSOR for only \$5,000. The Lawyers Phil is a 501(c)(3) nonprofit corporation.

The benefits of sponsorship clearly outweigh the \$5,000 cost because:

- 1) A Sponsor will receive 10 tickets for prime orchestra seats at the Second Annual Concert Extraordinaire at Walt Disney Concert Hall on July 30, 2011 (\$500 value).
- 2) A Sponsor will receive a half page ad in the Disney Hall concert printed program (\$500 value).
- 3) A Sponsor will also receive special recognition in the printed program for the concert at Disney Hall and in printed programs at all concerts performed in 2011.
- 4) A Sponsor will be listed on the orchestra's website: www.LALawyersPhil.org with a link to your firm's website.
- 5) A Sponsor may designate a performance by the orchestra for a charitable organization or bar association.
- 6) A Sponsor will take pride in supporting the arts and promoting harmony in the legal profession while enriching the quality of life for everyone who experience their music. And you can entertain your clients, reward your employees, engage your summer associates and network with your peers.

For the cost of \$5,000, you will be recognized as a proud sponsor of the prestigious Los Angeles Lawyers Philharmonic. To become a sponsor, visit www.LALawyersPhil.org or
